Additional Generic Logins

Check below if your agency needs generic logins not assigned to a specific person for the following:

____ Generic login for station status monitor, station printer or mobile computer.

____ Generic login at basic level for general membership and reporting use.

INSTRUCTIONS: Use this form to authorize individuals to have access to restricted areas of LCWC's web site for your Agency. All users are bound by the terms and conditions of use posted on the web site. Each user will be responsible to protect their login from unauthorized use and to control the dissemination of any information obtained from the web site.

Text Paging Admin: Place an 'X' in this column if the person is to have access to the 9-1-1 Messenger text paging system to send text messages and maintain the group lists on behalf of your agency.

WebCAD User: Place an 'X' at the appropriate access level in this column if the person is to have access to WebCAD for your agency. See attached sheet for access level descriptions.
